

## S.T.A.G.E. Mission Statement

**S.T.A.G.E.** meaning Student Theatre and Godly Evangelization, is a Catholic Student Theatre spreading the Word of God through the performance of plays.

**LONG TERM GOALS:** It is the goal of S.T.A.G.E. to provide a learning environment with instruction in the theater arts, as well as Godly virtues in line with the teachings of Saint John Paul II who called on artists to use their talents for a new evangelization. It is hoped through this setting and the grace of God, these students may attain high standards for living and evangelizing in the new millennium.

NOTE: All of our classes will carry the message of Truth, Beauty, and Goodness, as instilled by our faith in God, the Creator of All.
